

EUROFASHION

PERFECTBASIC

THE QUIET WARDROBE

EURO FASHION / AUTUMN-WINTER 2026

Timeless Design & Perfect Simplicity

Quiet confidence, defined in black.

Monochrome tailoring, fluid proportions and a refined silhouette bring strength and simplicity into perfect balance.

TIMELESS TAILORING / MODERN ELEGANCE

Visual Language

Cream, taupe, espresso and deep burgundy. Natural light, Stillness. Soft shadows. Texture before logos.

The collection should look expensive without explaining that it is expensive.

PALETTE

IVORY · SAND · TAUPE · ESPRESSO · BURGUNDY

The Morning Edit

Relaxed tailoring meets quiet sophistication. Warm ivory tones and fluid proportions create an effortless expression of modern elegance.

LOOK 01 · oversized blazer / wide-leg trousers / pointed pumps
TONES · warm ivory / cream / soft neutrals

Modern Heritage

Classic tailoring meets modern ease. A warm brown blazer, crisp white shirt and relaxed denim create a timeless expression of everyday elegance.

Keywords

tailoring · brown · denim · white · timeless

Effortless City

A crisp white shirt and relaxed denim define effortless everyday dressing. Clean lines, natural proportions and understated details create a timeless city look.

Simple by nature. Refined by detail.

Styling Notes

white shirt / relaxed denim / black belt / beige loafers

EURO FASHION

Quietly Unforgettable

Bold animal print, sharp black tailoring and timeless femininity. A confident evening statement, refined by understated elegance.

Details of Distinction

The most premium page in the lookbook—
macro shots of stitching, buttons, fabric
surfaces and finishing.
Quality should be seen before it is described.

*Thoughtful construction. Refined fabric.
Details designed to endure.*

EURO FASHION

Our Story

A Legacy Since 1986

Our story began in 1986 with a passion for tailoring and a dedication to craftsmanship. What started as a family tradition evolved into decades of experience in women's ready-to-wear manufacturing and international markets.

In 2006, EURO FASHION was born — bringing together our manufacturing heritage, contemporary design and understanding of the modern woman.

Today, we continue to create refined, wearable collections defined by quality, timeless aesthetics and attention to detail, while bringing our production expertise to partners around the world.

*From craftsmanship to contemporary elegance.
Designed in Istanbul, shaped by decades of experience.*

Our Production Facility

Crafted In-House. From Concept to Completion.

Located in Istanbul, Türkiye, our 5,000 m² production facility brings every stage of women's ready-to-wear manufacturing under one roof.

With a team of 100+ skilled professionals, we manage the entire production process in-house — from pattern making and sampling to cutting, sewing, pressing, quality control and packaging.

Our integrated structure allows us to maintain consistent quality, production flexibility and close attention to detail throughout every stage.

Export Markets

Our integrated production structure allows us to manage both recurring collections and private label orders with flexibility, consistency and controlled lead times.

PRIVATE LABEL MANUFACTURING

OEM & ODM SOLUTIONS

Your Brand. Our Expertise.

From initial concept, technical pack or reference sample to final delivery, we provide end-to-end private label manufacturing solutions for women's ready-to-wear brands.

Our in-house development and production capabilities allow us to transform our partners' ideas into finished collections — with flexibility, consistency and attention to every detail.

DESIGN & PRODUCT DEVELOPMENT

From your designs, references or technical packs to production-ready styles.

PATTERN MAKING & SAMPLING

In-house pattern development, fitting and sample preparation.

FABRIC & TRIM SOURCING

Sourcing fabrics, buttons, zippers and accessories according to collection requirements.

MANUFACTURING

Cutting, sewing, pressing and finishing managed within our production facility.

BRANDING & PACKAGING

Custom brand labels, care labels, hangtags and packaging tailored to your brand.

QUALITY CONTROL

Quality checks throughout production and before final shipment.

FLEXIBLE PRODUCTION SOLUTIONS

Built Around Your Collection.

Our flexible production structure is designed to respond to the individual needs of each collection — combining efficient planning, consistent quality and reliable lead times.

IN-HOUSE DEVELOPMENT

Pattern making and sample development managed by our own technical team.

FLEXIBLE REORDERS

Repeat production available subject to fabric and trim availability.

From development to delivery, every stage is planned with flexibility, consistency and efficiency.

QUALITY & CRAFTSMANSHIP

Quality in Every Detail.

Quality is built into every stage of our production process — from fabric inspection and precise construction to pressing, finishing and final control.

Our in-house quality team carefully examines each garment to ensure consistency in fit, stitching, workmanship and finishing before it is prepared for shipment.

FABRIC INSPECTION

Materials checked before production.

IN-PROCESS CONTROL

Quality monitored throughout manufacturing.

FINISHING & DETAIL

Stitching, construction and finishing carefully reviewed.

FINAL INSPECTION

Each garment checked before packing and shipment.

Crafted with precision. Checked with care. Made to meet our standards.
