About FK.P

Founded in 2015, Fk.Pynappel is a women's fashion brand that embodies elegance, sophistication, and effortless style. Every piece is thoughtfully designed with attention to detail and comfort, helping every woman express her individuality with ease every single day. We believe that every woman dreams of owning timeless, distinctive pieces — and we create each garment with this vision at heart. We're confident that you'll fall in love with Fk.Pynappel.

All our products are 100% locally produced in our own atelier, using our own fabrics and locally sourced accessories. Our pricing policy is built on honesty and transparency, reflecting our commitment to a fully controlled production process. There are no intermediaries — only a relationship of trust between us and our customers.

At Fk.Pynappel, we uphold production practices that respect both human health and the environment. We care deeply for people, nature, and the planet. Each creation is crafted with precision, exceptional quality, and respect, using innovative and globally inspired designs made from high-quality fabrics.

Today, Fk.Pynappel adorns showcases around the world and stands among the fastest-growing, most innovative Turkish fashion brands. If your goal is to offer your customers an unforgettable experience in quality and fashion, we invite you to visit our Merter boutique or reach out to us through our communication channels.

“Timeless elegance, accessible luxury”
