

Fast Forward Future

The Earth's rotation around its axis has been observed to be faster than average in 2020, as compared to records since 1960. However, the acceleration of the Earth's rotation is not the only change that is occurring in the world. There has been a significant increase in knowledge and awareness towards living a better life, which has brought a new perspective of respect towards nature, life, and all living things.

This change has also impacted the fashion industry, and while the styles of the past such as the androgynous style of the 70s, cuts of the 90s, and the spirit of the 50s are timeless and lovely, producing new variations of old styles for purely commercial reasons may not be innovative enough. Clichés like "California Dream" may not be sufficient to reflect the style, feelings,

Are u ready to run for a single drop?

Use it wisely!

Is there any lake over there?

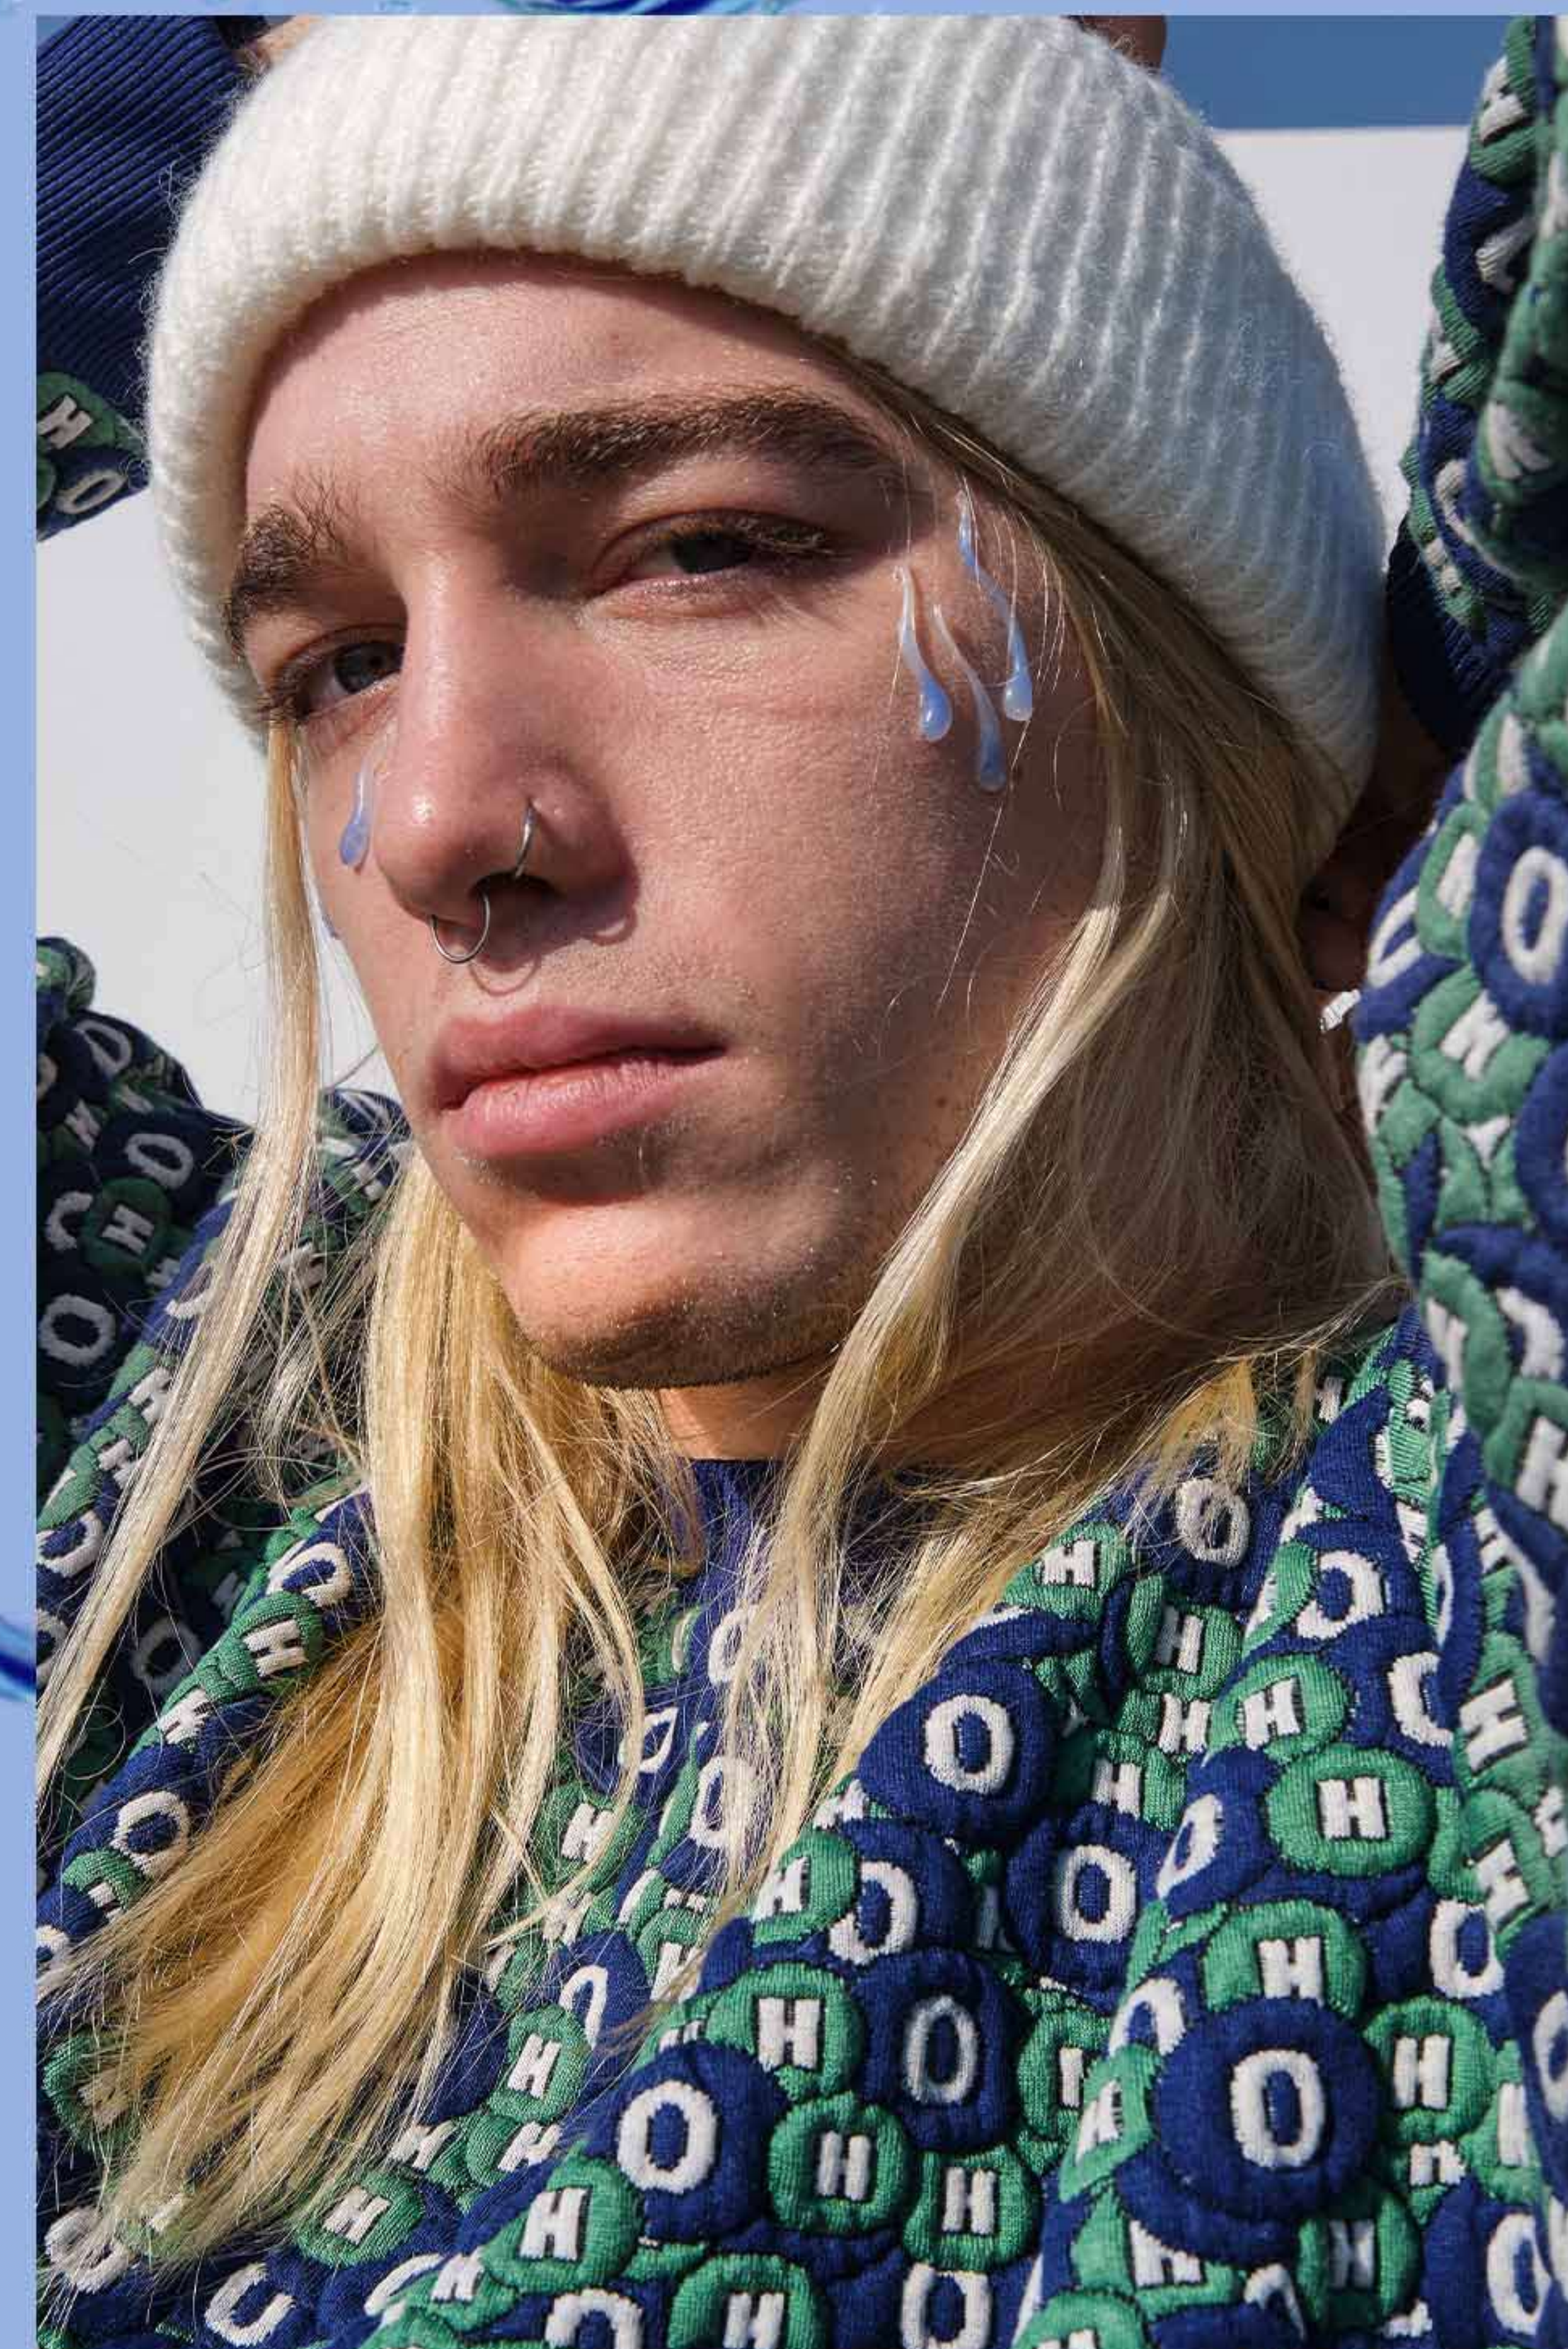

Fast Forward Future

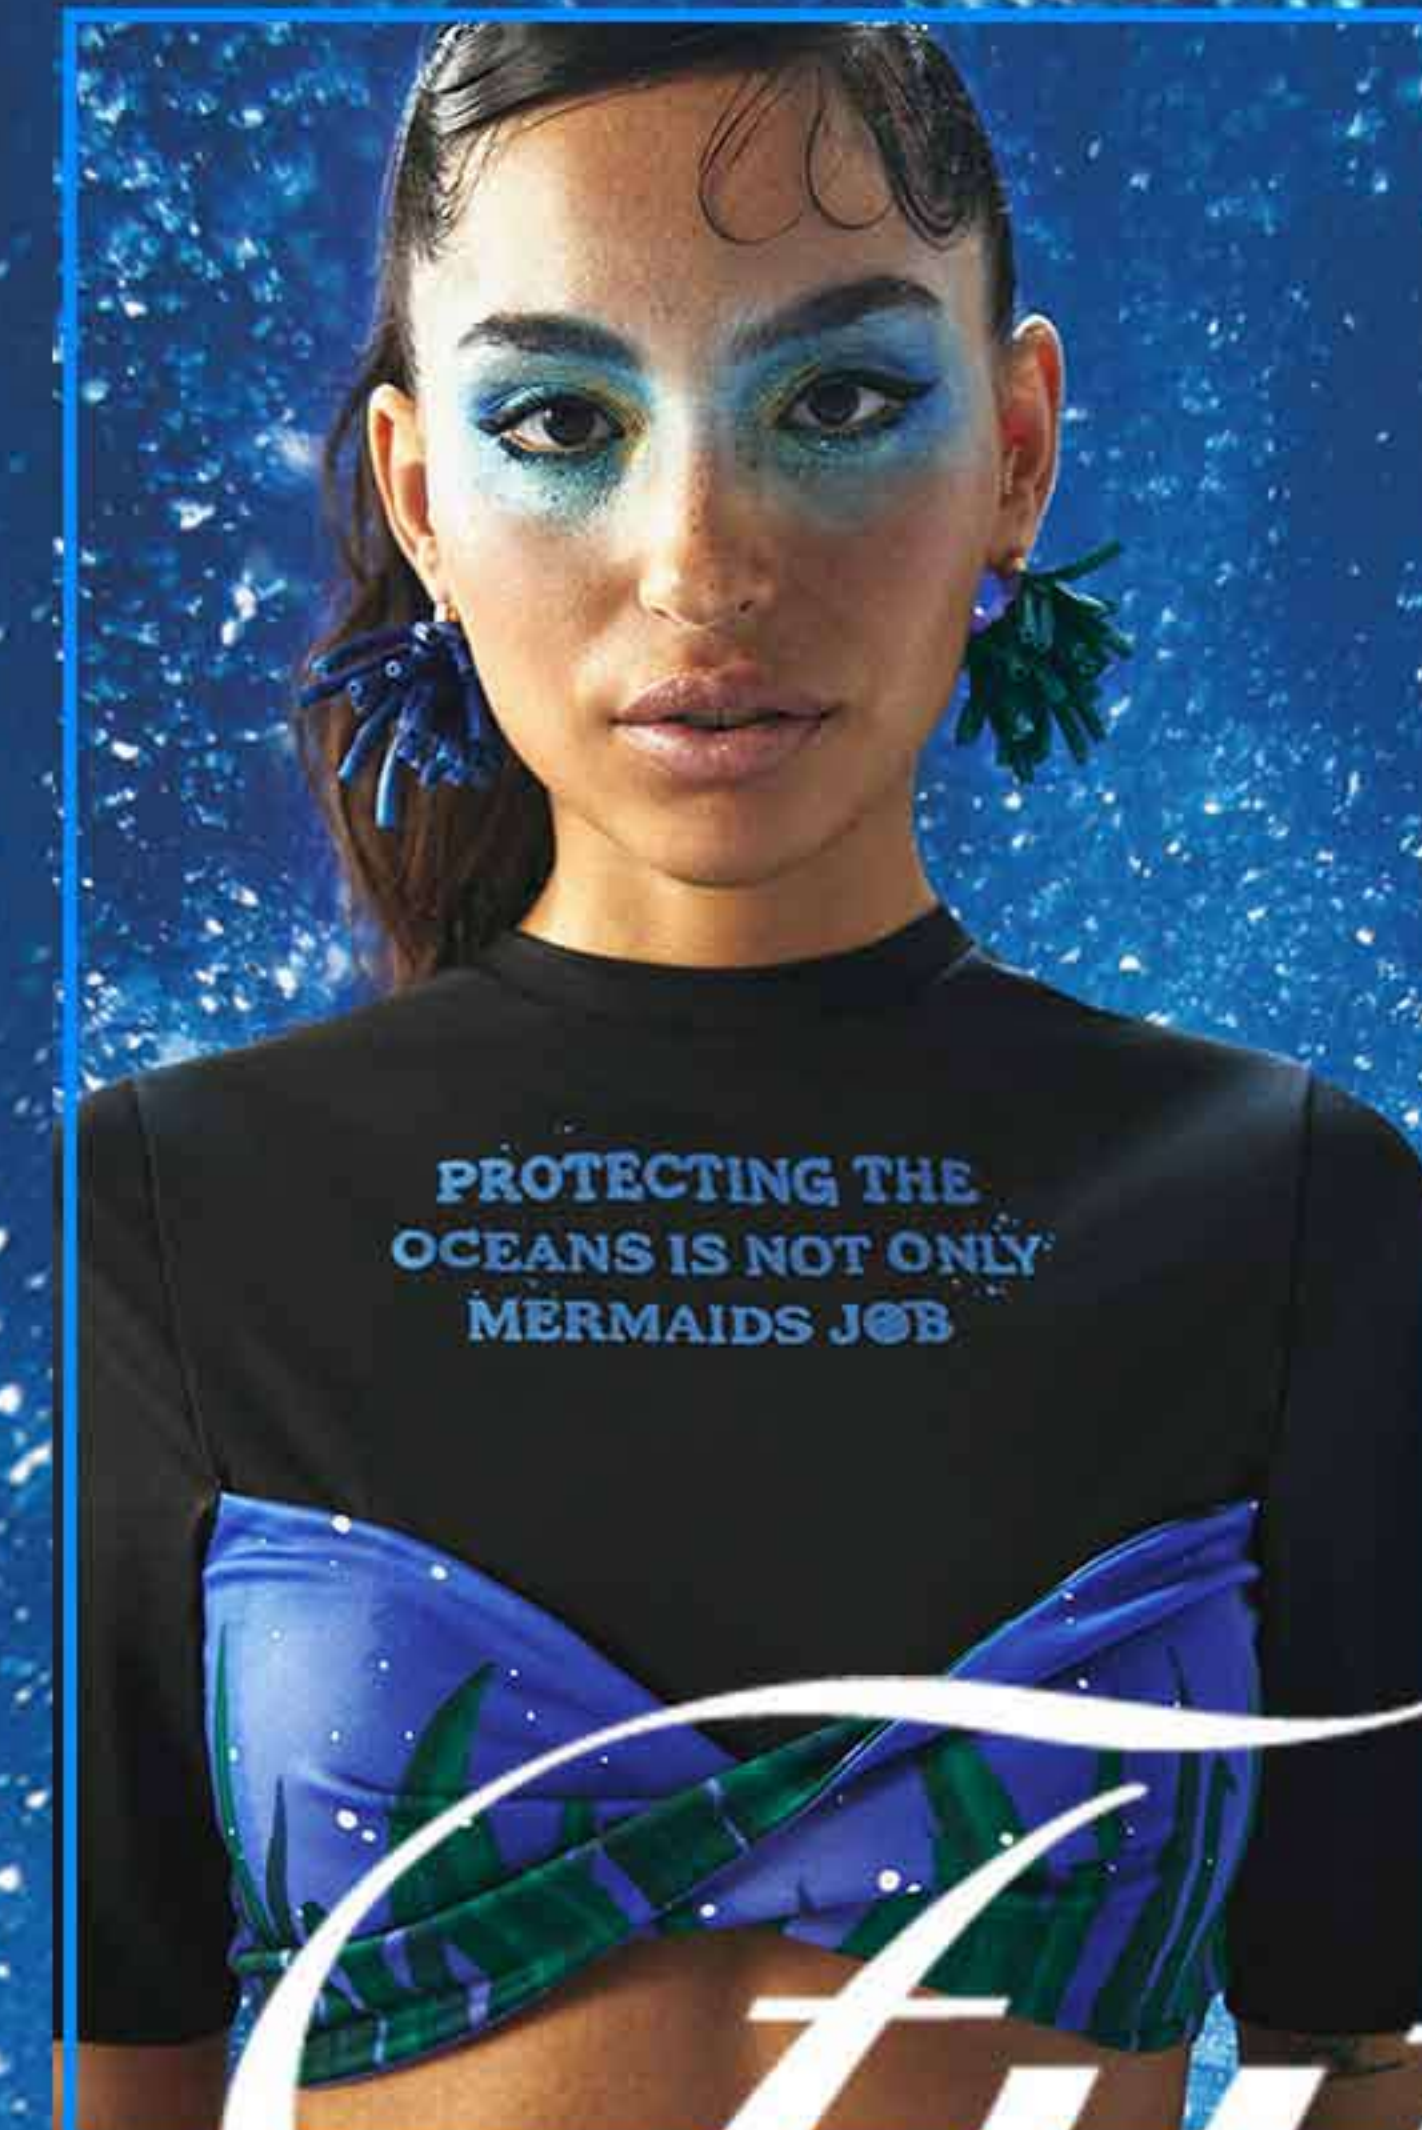

IT IS ESSENTIAL TO QUESTION FASHION AND NOT SETTLE FOR THE STATUS QUO. AS FFF, WE EVALUATE FASHION IN THE CONSTANTLY CHANGING CONDITIONS OF THE WORLD AND REFLECT THE PERSPECTIVES WE HAVE DEVELOPED IN THE HARMONY OF COLORS WE BRING TOGETHER AND PATTERNS THAT BEAR THE VIRTUE OF AWARENESS.
