BLACK RIBBON

Black Ribbon, birbirine güç veren iki kadın tarafından yaratıldı. Çalışan, üreten, anne, eş, dost ve kadın olarak hayatta var olan, gustosu, zevk ve tercihleri ile siyah gibi güçlü, zarif ve sofistike tüm kadınlara ulaşmayı hedefliyor.

Kadının gücünün altındaki yumuşaklığı, dişiliği ve yaşamdaki bir çok unsuru birbirine zarafetle bağlayışını ifade eden siyah kurdelesini de imza olarak her ürününde gururla taşıyor.

Siyah kurdelesinin; bizim gibi tüm kadınların içlerindeki güce, birbirlerine ve hayata bağlanışının simgesi olsun istiyor.

**Koleksiyonumuzun ve kurdelemizin
bu duygular ile taşınması bize mutluluk verir.**

*At the heart of Black Ribbon lies the vision of
two empowered women uplifting one another.*

*Our brand is dedicated to resonating with the essence of
black women – strong, elegant, and sophisticated individuals
who navigate life as industrious mothers, devoted wives,
loyal friends, and authentic women with unique tastes
and preferences.*

*Beneath their unwavering power, Black Ribbon recognizes
and celebrates the softness and femininity that defines women.
Each product proudly bears the black ribbon, a symbol that
eloquently expresses the elegant interplay of various
elements in life.*

*Black Ribbon aspires to be more than just a brand;
it seeks to embody the connection shared among women like us.
We aim to be a symbol of unity, linking the diverse facets
of our lives. Carrying the Black Ribbon collection is a joyous
affirmation of these sentiments, creating a shared bond
among women who appreciate the delicate balance of strength
and femininity in their lives.*
